

PAINTCALCE

Breathable lime based paint for internal and external

DESCRIPTION

PAINT CALCE is a seasoned lime paint which exhibits thixotropic qualities and excellent coverage.

Due to its natural transpiration, the product is particularly suitable for painting interior and exterior ceilings, especially with an evident presence of water vapor.

APPLICATION

New Walls:

- The surface to be treated must be dry. Conditions and thickness of the plaster layer affect the drying and hardening time, so make sure it has at least 28 days of curing time, depending on temperature.
- The substrate has to be well prepared and suitable for coating: dry plaster, not any granules from plaster. Completely remove layers of any old synthetic paints.
- Level out imperfections of the internal support with RASAN STUCCO or with K-STUCCO ; use instead RIVENDUIT CALCE for the external support. In case of holes or micro-cracks, fill the inner walls with STUCCO TRE STELLE and the external ones with ESTERN STUCCO.
- Use the sandpaper in order to remove surface irregularities and then eliminate dust deposits.
- Proceed applying two coats of PAINT CALCE with brush or roller which has to be thinned up with water in the following percentages: 1st coat and 2nd coat approx. 15-20% with an interval of 12h from each other.

Old Walls:

- The surface to be treated must be dry.
- Scrape off any loose flaking and poorly adhering coating, scraping and washing the surface with plenty of water or using a pressure washer.
- Proceed following the instruction of 'NEW WALL' from the third point onwards.

TECHNICAL DATA

Nature of the bond	Lime putty and various additives
Viscosity	
Drying Time	2 h at touch, 6-12 h complete.
Thinning	Water 15-20% 1° 2°mano
Yield	8-10m ² /Lt
Specific weight	1,423Kg/Lt
Colors	White
Dry aspect	Matt White
Wet aspect	
Storing	Max Temp. +30°C, Min T. +5°C
Stability	2 years (in sealed, unopened original packing)
VOC	µGr/m ³
TVOC	40µGr/m ³
PH	N/A
Cleaning	Water
Packing	4LT,14LT

CHARACTERISICS

Characteristics:	Breathable.
Can be applied on:	Walls,Wood.
for:	Interno/Esterno.
Certifications:
